Online Registration

We use TennisLink as our registration system. Once the team is created by the captain, players will register and submit payment online. This is the same program that we use for Junior Team Tennis. Please view the PDFs on how to create your teams and register players if you need help.

Mandatory Background Screening

With the move to TennisLink, captains are required to have an approved background screening before registering a team. There is no cost to complete this process. It can take up to 10 business days for approval so complete your screening ASAP. You *WILL NOT* be able to create a team until you are approved. Follow the steps here: <https://www.usta.com/en/home/safe-play.html>

Cost and Player Registration

The cost to play is \$30/player. Players will register for the team on TennisLink. A current membership is required for all players. Junior memberships are free. Visit www.membership.usta.com to create/renew your membership.

New Player Promotion

Does your child play Junior Team Tennis? We are offering \$10 off to any USTA Atlanta Junior Team Tennis player new to the Pre-Collegiate League this spring. You read that right, if your child plays JTT but has not played in the Pre-Collegiate League, they can play for \$20 this spring. To redeem this offer, please email Caleb Blakley (caleb@ustaatlanta.com) with the player's name and USTA number *before* registering to the team. You will then be sent a promo code to use when registering for the team. Promotions will not be able to be redeemed if the child is registered to the team before receiving the promo code.

Rules

Please become familiar with the Pre-Collegiate League Rules and Regulations. It is imperative that you read these, as well as your players, before the start of the upcoming season.

Prizes/Championships

There will be random raffle prize winners each week for Academy Sports + Outdoors and USTA Atlanta goodies! All finalists and champions will receive bag tags, and champions will get their picture taken with the big trophy, as well as their team name engraved on it.
