Please read the criteria below and use the above links to help confirm a player's eligibility.

12U Intermediate/Advanced Level Eligibility Requirements:

Players that meet at least one of these benchmarks in any age group are NOT eligible for participation at the Intermediate Level and MUST play at the Advanced Level for the 2022 Championship Year:

- Players with a JNTRP rating of 3.5 and above at time of registration.
- Players with a National standing in the ranges below as of September 2, 2021:
 - 12U: 1-650 – cannot play INT in 12U age group

***Please note:** TennisLink will NOT stop an ineligible player from registering to a team if it is due to their standing. It is the responsibility of the parent/captain to check eligibility before registering each player. Failure to do so will result in disqualification. See box at top of document for link to check eligibility.

10U Intermediate/Advanced Level Eligibility Requirements:

10U players who haven't reached green or yellow ball status within Playtracker may have to be manually added by the USTA Atlanta office. If you receive this error message, please reach out to Caleb Blakley (caleb@ustaatlanta.com or 770-416-4333) and he will assist you with getting the player registered.

Players can view the competition level they are eligible to compete in on their [Player Profile](#) in the family tab. For more information, please visit: <https://netgeneration.usta.com/us-en/the-net-generation-playtracker.html>

Find Your Rating:

If you have played a minimum of four matches in the last 18 months in 12U-18U divisions of USTA-sanctioned and/or non-sanctioned junior tournaments and/or Junior Team Tennis leagues, then you more than likely have a dynamic rating.
