RULES

USTA Atlanta local rules as well as USTA National rules and regulations will be enforced throughout this event.

OFFICIALS

Officials will not be on site.

PLAYER CONDUCT AND SPECTATOR RULES

The player conduct agreement and spectator rules will be enforced. Please see attached guidelines and pass on to your players and parents.

THIS IS NOT A SANCTIONED EVENT.

Player Conduct Agreement

In recognition of the support by USTA Atlanta to competitions such as the 3-Day State Qualifier, certain behavior is expected. We expect the highest level of sportsmanship and exemplary behavior both on and off the court. Each player shall abide by the following rules of conduct while at the 3-Day State Qualifier:

1. If you have any doubt as to whether a ball is out or good, you must give your opponent the benefit of the doubt and play the ball as good.
2. It is your obligation to call all balls on your side, to help your opponent make calls when the opponent requests it, and to call against yourself (with the exception of a first service) any ball that you clearly see out on your opponent's side of the net.
3. Any "out" or "let" call must be made instantaneously; otherwise the ball continues in play.
4. Do not enlist the aid of spectators in making line calls.
5. If you call a ball out and then realize it was good, you should correct your call.
6. To avoid controversy over the score, the Server should announce the set score before starting a game and the game score prior to serving each point.
7. If players cannot agree on the score, they may go back to the last score on which there was agreement and resume play from that point, or they may spin a racket.
8. Do not stall, sulk, complain, or practice gamesmanship.
9. Wait until the players on another court have completed a point before retrieving or returning a ball.
10. From the beginning of the match, play must be continuous. Attempts to stall or to extend rest periods for the purpose of recovering from a loss of physical condition are clearly illegal.
11. Intentional distractions that interfere with your opponent's concentration or effort to play the ball are against the rules.
12. Players are expected to put forth a full and honest effort regardless of the score or expected outcome.
13. Players are expected to maintain full control over their emotions and the resulting behavior throughout the match. If you begin to lose your composure during play, try the following:
 - i) Take several deep breaths, exhale as slowly as possible and feel your muscles relax.
 - ii) Concentrate on your own game and behavior while ignoring distractions from your opponent or surroundings.
 - iii) Be your own best friend – enjoy your good shots and forget the poor ones.

Failure to comply with any of the above regulations may result in notification of parents, coaches and USTA Atlanta. If conduct is deemed unacceptable by the Tournament Referee dismissal from the event may occur.

Spectator Rules and Guidelines

One of the goals of USTA Junior Team Tennis is to allow the players a competitive setting without the pressures of spectator interference. The purpose of the 3-Day State Qualifier is to encourage teamwork and sportsmanship on and off the court. Clapping/cheering for good shots will be allowed provided it is for both teams' good shots.

Remember, our concern is the well-being of every junior participating in this event. We want all teams that play to have a good experience. If clapping/cheering gets out of hand, the spectators will be informed that any cheering or clapping will not be allowed for the remainder of the match. Team Captains are responsible for their team spectators and should be sure that their team parents and players know and understand the rules BEFORE starting play.

If there is excessive abuse of the rules no clapping/cheering will be permitted for the remainder of the event.

Examples:

1. Player hits a double fault - no cheering.
2. Player hits a ball 2 feet out on a deuce point - no cheering.
3. Player whiffs a serve - no cheering.
4. Player hits ball into the net – no cheering.
5. Player hits an overhead for a winner - cheering by both teams.
6. Players have a long rally - cheering by both teams.
7. Match has finished play - cheering by both teams.
8. Spectators should use common sense. Think how your child would feel in a situation before subjecting another child to unfairness.

Remember, these teams are all champions already. Even though the score may not reflect it, every child is a winner. Let them play the matches on the courts. Let's all help the players have a wonderful experience so they continue to play tennis in the future.
