**Team Requirements**

- **Forming a Tournament Team:** Teams need at least 6 eligible players registered by the deadline. Of the 6 players on the roster, teams must be able to provide 3 separate lines of 3 possible double pairings. *For example, in the 6.5 division, you cannot provide 3 separate lines of possible doubles pairings if your players are rated 2.5, 3.0, 3.5, 3.5, 3.5, and 3.5.*
- **Captain Information:** Captains must have a current email address in order to receive league tournament information. As captain, you are responsible for getting all USTA Atlanta information to players. Please ENSURE that your e-mail and phone number is correct in TennisLink.

**Player Requirements**

- **New USTA Players and/or Self-Rated Players:** New players that do not have a NTRP rating must self-rate using the USTA League Self-Rating Guidelines as found on [www.ustageorgia.com](http://www.ustageorgia.com) (NTRP Ratings > Self Rating Guidance). Individuals are required to answer a series of questions prior to self-rating. It is strongly recommended that self-rated players register at least 15 days prior to the registration deadline so any appeals can be handled before the close of registration. If a person has a computer rating generated 3 years ago (2 years ago for players 60 & Over), s/he will be permitted to enter a new self-rating.
- **Ratings for the Combo Doubles Qualifier:** Players must use their **2022 YEAR-END RATING** that is published in [TennisLink](#).
- **Age Eligibility:** Players must be at least 18 or older to compete.
- **USTA Membership:** All players must have a USTA membership that is current through August 31, 2023. To join or renew a membership, go to [www.usta.com](http://www.usta.com) or call 1-800-990-USTA. Current members can

change contact information by calling Membership Services (number above) or emailing at [memberservices@usta.com](mailto:memberservices@usta.com).

- It is the captain's responsibility to make sure that the team registers at the correct playing level and has enough players eligible to compete. An individual player's rating must not exceed the highest rating allowed per level as follows:

Level	Player Level Combinations	Individual Rating Cannot Exceed
6.5	3.5 with a 3.0 3.0 with a 3.0	3.5
7.5	4.0 with a 3.5 3.5 with a 3.5	4.0
8.5	5.0 with a 3.5 4.5 with a 4.0 4.0 with a 4.0	5.0
9.5	5.5 with a 4.0 5.0 with a 4.5 5.0 with a 3.5	5.5

- Combo Doubles results are not factored into NTRP computer ratings for adult league play. A person's computer rating will not change for active participants in the adult leagues due to participation in this league.
- Captains should check with all players before registering them for the team. **Once payment has been made no full refunds will be issued.** We recommend that each player be responsible for registering themselves on a team.
- If you need additional players for your team, please visit: <https://www.ustaatlanta.com/findateam> to view a sortable list of players looking for a team.

**Instructions for Registering a Team**  
**All team requirements must be met prior to starting registration.**

**“CREATING A TEAM”**

- Go to <http://tennislink.usta.com/leagues>
- Once you are on the TennisLink homepage, you will need to either create a new account or log in to your account. If you already have a TennisLink account, enter your USTA number and password to log in.
- **All Captains must create a new team number each season.** This step creates a team number *and* registers the captain on that team.
  - Click on the “Register for a team” link
  - Instead of entering a team number, click the link on that page to create a new team.
  - Select Section (**USTA/Southern**)
  - Select District/Area (**GEORGIA**)
  - Select Area (**GA-ATLANTA 2023**)
  - Select League for (**USTA Atlanta Summer - Combo Doubles Qualifier**)
  - Select Flight (**ex: 6.5 Combo Doubles Men**)
  - Enter Team Name using this format: **Team + captain’s last name** (ex: Team Johnson). Inappropriate Team Names will be removed.
  - Select your Home Court Facility:
    - No need to complete this section as all matches will be played at designated sites
  - Click **“Create Team.”**
  - Follow the instructions on the screen for payment.
  - **Write down your team number.** Print a copy of your confirmation. You need the team number to give to your players so that they can register on your team.
  - If you did not receive a “Congratulations” screen with an invoice number then your team is not registered and the team number that you have is not valid.

**“REGISTERING A PLAYER”**

- Go to “Register for a Team.”
- Enter individual USTA membership number of the player (or players) starting on line # 1.
- Enter your **new** team number for the **Combo Doubles Qualifier**

- Check the information carefully. If you register a person incorrectly you will forfeit the TennisLink fee.
- Click “Submit.”

- If a person does not have a computer rating the system will **prompt a series of questions to declare a self-rating**. Players should self-rate where they believe is correct and not just use the TennisLink assigned minimum level. If you choose a rating for another person and they do not agree with that rating it cannot be changed once a match is played. **If you self-rate for another person and a grievance is filed against that person for playing below their ability level, you may be held responsible as well.**
- Enter the credit card number on the secure site.
- When the confirmation page is displayed, you are registered!

#### **“CHECKING YOUR TEAM ROSTER”**
