Team Requirements

- Forming a Team: Teams need at least 6 eligible players registered by the deadline. Of the 6 players on the roster, there must be at least 3 men and 3 women to meet the minimum requirements.
- Home Facility Requirements: Teams are required to provide two courts of the same surface at their location. All facilities must be located in Cobb, Dekalb, Fulton, Gwinnett, Douglas, Paulding (east of Highway 61) or Forsyth County. Bathrooms and lights are required. If a new facility meets these requirements, captains should fill out this form: [USTA Non-member Organization request \(google.com\)](#) to add their home courts to TennisLink. **Note: this is ONLY for new facilities.**

Player Requirements

- New USTA Players and/or Self-Rate Players: New players that do not have a NTRP rating must self-rate using the USTA League Self-Rating Guidelines as found on www.ustaatlanta.com. (Ratings > Self-Rate Guidelines) Individuals are required to answer a series of questions prior to self-rating. It is strongly recommended that self-rated players register at least 10 days prior to the registration deadline so any appeals can be handled before the close of registration. If a person has a computer rating generated 3 years ago, s/he will be permitted to enter a new self-rating.
- Ratings for the Fall Mixed Doubles 18 & Over League: Returning players must use their 2022 Year End Rating that is published in TennisLink (<http://tennislink.usta.com>).
- Age Eligibility: All players shall have reached the age of eighteen (18) years prior to participating in their first local league match.
- USTA Membership: All players must have a USTA membership that is current through December 2023. To join or renew a membership, go to www.usta.com or call 1-800-990-USTA. Current members can change contact information by calling Membership Services (number above) or emailing at memberservices@usta.com.
- It is the captain's responsibility to make sure that the team registers at the correct playing level and has enough players eligible to compete. An individual player's rating must not exceed the highest rating allowed per level as follows in the chart on the next page

Level	Player Level Combinations	Individual Rating Cannot Exceed	Minimum Rating
2.5	2.5 with a 2.5	2.5	2.5
3.0	2.5 with a 3.0 3.0 with a 3.0	3.0	2.5

- Mixed Doubles results are not factored into NTRP computer ratings for Adult 18 & Over, Adult 40 & Over, or Adult 55 & Over league play. A person’s computer rating will not change for active participants in the Adult 18 & Over, Adult 40 & Over and Adult 55 & Over leagues due to participation in this league. Participants who do not play in another USTA league will generate a mixed doubles NTRP rating.
- Captains should check with all players before registering them for the team. Once payment has been made **no refunds** will be issued. We recommend that each player be responsible for registering themselves on a team.
- If you need additional players for your team, please visit the database of players looking for a team on our website at <https://www.ustaatlanta.com/findateam>.

Other Important Information

- Teams that are formed outside of the USTA Atlanta boundaries - outside of Dekalb, Fulton, Gwinnett, Cobb, Douglas, Paulding (east of Highway 61) and Forsyth are welcome to participate in the USTA Atlanta mixed doubles league (if approved). However, teams outside USTA Atlanta boundaries may be required to travel to more matches (and will be grouped with the teams in closest proximities as possible).
- USTA Atlanta will make every effort to group teams within the closest proximities possible. Just because your team is closer to one facility does not necessarily mean you will be grouped in that sub-flight.
- TennisLink allows captains to view the “work in progress” that USTA Atlanta does when putting together schedules. In most cases, teams are shifted around in order to finalize other divisions. **PLEASE NO PHONE CALLS prior to schedules being posted.**

- All players and captains must create a TennisLink account to create/register for a team. You will be required to login and enter a password to create a team.
- If you are a Team Captain and want to register your team, proceed to Step 4. If you are a player and wish to register yourself, **you must get your team number from your captain**, then go to Step 5.
- **All Captains must create a new team number each season.** This step creates a team number *and* registers the captain on that team.
 - Select the “**Online Team Creation**” under the quick links section of the league page
 - Select Section (**USTA/Southern**)
 - Select District/Area (**GEORGIA**)
 - Select Area (**GA-ATLANTA 2024**)

 - In the “Facility Name” box and type the first 3 or 4 letters of your facility name (i.e.: Hud for Hudlow) then State and click “Search”. **Do not fill in any other boxes.**
 - If your facility does not appear using the name search, take out the 3 letters of your facility and try using the facility zip code. The list may be long but your facility will be here.
 - Once your facility is located, **click on it once**, the Facility Locator screen will close and the facility name will pre-fill on the Online Team Creation page.
 - Click “**Create Team.**”
 - Follow the instructions on the screen for payment.
 - **Write down your team number.** Print a copy of your confirmation. You need the team number to give to your players so that they can register on your team.

- If you did not receive a “Congratulations” screen with an invoice number then your team is not registered and the team number that you have is not valid.
