JUNIOR TEAM TENNIS

USTA JTT Program Coordinators

We will not have specific age group coordinators, but different points of contact based on the need. Hopefully, this will eliminate your having to contact multiple people for the same issue if you are captaining more than one team or have several teams out of your facility.

For general questions and inquiries related to your teams, please contact:

Preston Nguyen (preston@ustaatlanta.com – 770-416-4333).

For match day questions, please contact:

Marci Silverman (marci@Linderfinancial.com - 404-353-5263).
