

USTA ATLANTA

Hello captains!

Welcome to the Winter/Spring USTA Atlanta Adult 40 & Over League! Thank you so much for volunteering and helping to make our league so successful. Not only will you serve as the communicator and representative for your team, but also, we wouldn't have our league without all your efforts.

Important Updates for the Winter/Spring Season:

- In order for players to be eligible to play in the local playoffs, they must play **two times during the regular season** (first match through the last regularly scheduled match of the round robin). A default may count as one of the matches played.
- If a team forfeits more lines than they have played, making the match invalid, a warning letter will be sent to the team. If this happens a second time in the league season, the team will be removed from the league and reported to the USTA Georgia Adult League Committee for review.
- If the home team facility has special requirements for guests entering their facility, such as: a specific dress code, the signing of a waiver or requiring the collection of personal information (photo ID, email address, phone number, etc.) captains must inform the visiting captain 3 days in advance.

Scheduling Matches

Default Match Start Times:

- 6:30 PM: 1S and 1D
- 7:30 PM: 2D

Both captains must agree if start times and order of lines differ from the “default.”

If you schedule your match start times/order of play differently from the default time, you must get e-mail/text message confirmation from opposing captain. Refer to the USTA Atlanta rules and regulations for all match time scenarios.

Make-up Matches

Teams have 13 days to make up matches (with the exception of the last 2 matches of the season – see paragraph below). Please refer to the 2024 league rules and regulations for specifics.

If inclement weather occurs on the makeup default day, the new default time is the following Wednesday at 6:30 PM and continues day-to-day at 6:30 PM until weather permits the match to be played.

*Exception: If inclement weather occurs on the second to last match of the regular season, the makeup default time is the following Monday (6 days later) at 6:30 PM. If inclement weather occurs on the last match of the regular season or during playoffs, the makeup default time is Wednesday at 6:30 PM and continues day-to-day at 6:30 PM or until weather permits the match to be played.

Captain's Corner

The Captain's Corner is another key resource tool for captains. You can find the Captain's Corner by going to <https://www.ustaatlanta.com/40womencaptainscorner>.

Line-ups

Avoid having matches reversed by ensuring that your players are registered on your roster (not registered as a USTA member). Players must be registered before they step foot on the court to play their match. If they are not registered in time, the match will be reversed/disqualified, and the point will be awarded to your opponent's even if you win. No exceptions.

Adding a Player After Season Begins

You may add players at any time up until 11:59 PM on the Monday before the last local round robin match.

Scoring

Teams have the option to play a 10-point tiebreaker in lieu of a 3rd complete set. This does not mean teams are required to do this, but it is merely an option. Before the racket spin, the individuals on the court (involved in the match) can decide to play the 10-point tiebreaker or not. This must be decided prior to the racket spin. The **default scoring will be a complete 3rd set**, so if all players do not agree, the default scoring will be used. If a tiebreaker is elected, players should communicate this to their captain prior to starting their match. If a 10-point tiebreaker is chosen, coaching is not allowed after the 2nd set and only a 2-minute rest period is allowed.

When recording the score in TennisLink, you would record a winning 10-point tiebreaker as 1-0 retired in the 3rd set. For example, if a team wins 4-6, 7-5, 10-8, they would report the score as 4-6, 7-5, 1-0 ret.

Important Tips

- Be sure to thoroughly read through and be well-versed with USTA Atlanta local rules and regulations.
- Ensure a proper scorecard exchange before each match. Both captains should simultaneously exchange COMPLETE scorecards before the start of the match.
- Assign a co-captain for your team! Contact your captain at least 3 days in advance to coordinate logistics for the team match.
- If both captains agree, you may play your match earlier or at a different time on match day. Keep your level rep informed if you do this!
- Make sure your player is registered on your team before stepping foot on the court. If your player's match is started at 9:00 AM, and they registered on the team at 9:01 AM, it is an illegal match and will be disqualified and awarded to the opposing team.

Georgia State Tournament for 2024 Championship Year

We are currently in the 2024 Championship Year. City Champions from USTA Atlanta will advance to the USTA Georgia State Tournament to be held in June 2024. Please visit the USTA Georgia's site at www.ustageorgia.com (USTA League Tennis > State Championships) for more information on logistics.

Please note: the state format for the 40 & Over league is 1 singles and 3 doubles.

Qualifying for the State Tournament

If your team receives an invitation to the state tournament, each player (going to state) must be on the scorecard for two matches during the regular season in order to qualify for state. One of these times may be recorded as a default received, but at least one must be an actual match played.

Facilities

Bathrooms are required. Home teams must have restrooms with running water and flushable, functioning toilets that remain unlocked for the entirety of match play. Porta Potties are not approved restrooms. If restrooms are out of order, the visiting team must be given the option to provide courts. If the visiting team cannot provide courts, then it goes back to the home team to find nearby courts with acceptable restroom facilities.

If your facility has time constraints for courts, please make arrangements for them to stay open and lighted to allow you to complete long-running matches.

If the home team facility has special requirements for guests entering their facility, such as: a specific dress code, the signing of a waiver or requiring the collection of personal information (photo ID, email address, phone number, etc.) captains must inform the visiting captain in advance.

Another important note regarding facilities: Once you have indicated your official home facility in TennisLink, all home matches should be played at that facility. If you cannot play at your designated home facility, the visiting team has the option of supplying courts for the match. Of course, you can always agree to play your match somewhere else if it eases the commute... but home captains may not arbitrarily choose to schedule matches at an alternate facility.

The Grievances Process (found in captain's corner)

When viewing the captain's corner, you will notice a grievance section with two types of complaints that can be filed from a captain.

NTRP Grievance

If you believe that you (or one of your players) have played against a player that has misrepresented their playing ability within the **self-rating** process (i.e., their playing level is at the top of the next level or higher), you should file a NTRP Grievance ASAP before the next match is played. However, you must have evidentiary support for your claim (i.e. college background). An opinion is not a valid back-up for a self-rate grievance.

Sportsmanship Grievance

All complaints alleging a violation of USTA League Regulations shall be filed in writing by a team captain via email (grievances@ustaatlanta.com) to the chairman of the USTA Atlanta Grievance

USTA ATLANTA

Committee. Examples of valid grievances include but are not limited to: misrepresenting a player's identity on a scorecard or in TennisLink; falsifying scores in TennisLink; recording a score without playing the match; using ethnic slurs or obscene language; coaching; abusive behavior; or physical violence.

Grievances must be filed prior to whichever occurs first: (a) the involved team's next match in that flight whether or not the involved player participates OR (b) within 24 hours after the end of the local league regular season. For all grievances arising during playoffs (including city finals), Grievances must be filed within 30 minutes of the completion of the involved team's match.

There is a \$40 fee for filing a grievance under this Section VIII, which must accompany the written grievance. If the grievance is kept on file or penalties are imposed, USTA Atlanta will refund the \$40 fee. All grievance filing fees retained by USTA Atlanta will be donated to the Atlanta Youth Tennis and Education Foundation.

Good luck – and have a great season!
