### Team Requirements

- **Forming a Team:** All age groups require a minimum of 4 players (4 boys OR 4 girls) to be registered by the deadline. For 10U and 8U, teams can be any combination of boys and/or girls. Teams need to meet the level and age requirements and should double check eligibility before determining the level of the team.
- **Home Facility Requirements:** Teams are required to provide two courts of the same surface at their location. All facilities must be located in Cobb, DeKalb, Fulton, Gwinnett, or Forsyth County. Captains at a new facility should contact USTA Atlanta (770-416-4333) to verify your facility is eligible for the USTA Junior Team Tennis program. The following information is required: facility name, address, number of courts. The team cannot register until the facility is processed. Lights are **required** if a make-up match takes place during the evening. Home teams hosting 8U or 10U play must have courts prepared for 60ft play (tape, chalk, painter's tape and permanent lines are permissible).  
If you would like to update your JTT court availability, please email Amanda ([amanda@ustaatlanta.com](mailto:amanda@ustaatlanta.com)) with the facility and number of courts available for Junior Team Tennis by April 13th. This will help when scheduling numerous teams at a facility.
- **Captain Information:** Captains must have a current email address in order to receive league information throughout the season. As captain, you are responsible to get all USTA Atlanta information to players. Please ENSURE that your e-mail and phone number are correct on TennisLink.

### Player Requirements

- **Level Eligibility:** It is very important that you view the [attached document](#) for specific level eligibility requirements.
- **Age Eligibility:** USTA Junior Team Tennis is designed for kids ages 5-18. All players participating in the Summer 2026 season must remain age eligible through August 31<sup>st</sup> of the 2026 Championship Year (September 1, 2025 – August 31, 2026). \*8U-eligibility rules are not the same because 8U teams do not advance past the local level. Players on 8U teams must remain 8 or younger through the summer season (through June 20, 2026).
- **USTA Membership:** Junior memberships are now FREE but all players still must have a USTA membership that is current through the entire season of play. To join or renew a membership, go to [www.usta.com](http://www.usta.com) or call 1-800-990-USTA. Current members can change contact information by calling Membership Services (number above) or emailing at [memberservices@usta.com](mailto:memberservices@usta.com).
- Captains should check with all players before registering them for the team. **Once payment has been made no refunds will be issued.** We recommend that each parent be responsible for registering their child on a team.

- If you need additional players for your team, email Amanda ([amanda@ustaatlanta.com](mailto:amanda@ustaatlanta.com)). We maintain a database of players looking for teams to join.

**Other Important Information**

- Teams that are formed outside of the USTA Atlanta boundaries (outside of Dekalb, Fulton, Gwinnett, Cobb, and Forsyth) are welcome to participate in USTA Atlanta Jr. Team Tennis (if approved). However, teams outside USTA Atlanta boundaries may be required to travel to more (if not all) matches, and will be grouped with the teams in closest proximities as possible.
- USTA Atlanta will make every effort to group teams within the closest proximities possible. Just because your team is closer to one facility does not necessarily mean you will be grouped in that sub-flight.
- TennisLink allows captains to view the “work in progress” that USTA Atlanta has done when putting together schedules. In most cases, teams are shifted around in order to finalize other divisions. **PLEASE NO PHONE CALLS prior to schedules being posted.**

**Summer JTT 2026 Level Eligibility Requirements**

Beginning Fall 2023, the SJTTL programs in USTA Southern will use the [ITF World Tennis Number](#) to promote level based play across the Section.

- 40-1 scale, with 40 (minimum) being a beginner player and 1 (maximum) being an elite professional.
- Players will have a separate WTN for singles and doubles rating. The registration platform only considers a player's Singles rating at time of registration.
- Players with a low confidence factor will have the option to sign up in any division. Players with a medium confidence factor will have the option to sign up in a Beginner division.
- Players can locate their rating as well as JTT Results within their usta.com profile.
- [Junior Rating Search \(tennislink\)](#)
- [Junior Player Search](#)

The rating bands for SJTTL are as follows:

Division	Eligible WTN Range	Ineligible WTN Range
12 & Under Beginner	40-31	*30.9-1
12 & Under Intermediate	40-29	28.9-1
12 & Under Advanced	40-1	NA
14 & Under Beginner	40-29	*28.9-1
14 & Under Intermediate	40-27	26.9-1
14 & Under Advanced	40-1	NA
18 & Under Beginner	40-27	*26.9-1
18 & Under Intermediate	40-23	22.9-1
18 & Under Advanced	40-1	NA

**\*ONLY USED IF PLAYER'S WTN HAS HIGH CONFIDENCE (as of 3/17/26)**

**Please note:** The system will **NOT** stop an ineligible player from registering for a beginner team. It is the responsibility of the captain and parent to check the level eligibility guidelines prior to registering. Level eligibility will be manually checked by USTA Georgia for players registered for beginner teams. Any ineligible player that plays in a match will have those points forfeited to the opponent.
