Registration Information | Spring 2027

League Plays March–May 2027 • Use 2026 Year-End Ratings

Milestone	Date
Registration opens	Tuesday, December 1, 2026
Team registration deadline	Monday, February 15, 2027
Play begins	Women: Saturday, March 6, 2027 at 1:30 p.m.; Men: Sunday, March 7, 2027 at 10:00 a.m.
No play	Sunday, March 28, 2027 (Easter) — Men only

League Information

Match Format: Each team match includes 3 doubles matches, one at each level. Individual matches are best 2 of 3 sets, with a mandatory 10-point match tiebreak instead of a full third set.

Levels: 3.5, 4.0 and 4.5 for men and women. Register using your 2026 Year-End Rating.

Registration: Teams should register minimums (6 players) by the deadline. Players may be added through 11:59 p.m. the night before the last round robin match.

Registration Fee: $23.15 per player, including the $16.00 local league fee, $4.00 USTA Georgia administration fee and $3.15 TennisLink fee. USTA Atlanta receives only the local fee portion. Register online through TennisLink instructions are included below.

Schedules: After schedules are posted on TennisLink, captains will receive an introductory letter from their Level Representative and/or Program Director.

League Start Date: Play begins Women: Saturday, March 6, 2027 at 1:30 p.m.; Men: Sunday, March 7, 2027 at 10:00 a.m.. Most divisions will have 6 or 7 round robin matches.

Playoffs and City Finals: Dependent upon number of teams registered.

State Tournament: City Champions and select City Finalists will be invited to the USTA Georgia Tri-Level 18 & Over State Tournament in August 2027.

Contacts

Chris Canter, Programs Coordinator: canter@ustaatlanta.com | 770-416-4333

Maegan Kulich, Director of Leagues: maegan@ustaatlanta.com | 770-416-4333

Team Requirements

Roster: At least 6 eligible players must be registered by the deadline, with enough players to field a doubles pair at each level. A roster rated 3.5, 4.0, 4.0, 4.0, 4.5 and 4.5 does not meet this requirement because it cannot field a 3.5 pair.

Home Facility: Provide two courts of the same surface, with lights for evening matches. Bathrooms are required. Facilities must be in Cobb, DeKalb, Douglas, Forsyth, Fulton, Gwinnett or Paulding County (east of Hwy 61). Teams outside these boundaries must contact USTA Atlanta before registering to confirm grandfathered facility status. New facilities must be approved and processed before team registration. Contact canter@ustaatlanta.com or 770-416-4333 with the facility name, address, number of courts and contact information for the courts.

Player Requirements

Self-Rating: New players without an NTRP rating must complete the self-rating questions using the USTA League Self-Rating Guidelines at www.ustaatlanta.com (Ratings > Self-Rate Guidelines). We strongly recommend registering at least 10 days before the deadline to allow time for appeals.

Age: Players must be 18 before playing their first local league match.

Membership: USTA membership must remain current through May 2027. Join or renew at www.usta.com or 1-800-990-USTA. To update contact information, call the same number or email memberservices@usta.com.

Refunds: No refunds are issued after payment. Captains should confirm with players before registering them. We recommend that players register themselves.

Other Important Information

Teams outside USTA Atlanta's boundaries may participate with approval but may need to travel to more or all matches. They will be grouped with the nearest teams possible.

USTA Atlanta makes every effort to group nearby teams together. Proximity to a facility does not guarantee placement in its sub-flight.

TennisLink may show schedules in progress. Teams may move between divisions as schedules are finalized. Please wait until schedules are posted before calling or emailing with questions.

TennisLink instructions on next page.

TennisLink Registration Instructions

Creating a Team

- Go to TennisLink.
- Create a TennisLink account if needed, then log in with your password.
- Captains must create a new team number each season. This also registers the captain on the team.
- Under Quick Links, select "Online Team Creation."
- **Select Section**: USTA/Southern.
- **Select District/Area**: GEORGIA.
- **Select Area:** GA-ATLANTA 2027.
- Select League: Spring Tri-Level 18 & Over.
- Select your flight (3.5, 4.0, 4.5).
- Enter the team name as Home Courts (Captain's Name), for example, Hudlow (Joe Johnson).
- Under Home Courts, select your home court from the drop down or click "Other Facility."
    - Enter the first 3 or 4 letters of the facility name (for example, Hud for Hudlow), select the state and click "Search." Leave other fields blank. Double click on your facility. The Facility Locator will close and fill in the facility name on the team creation page. Click "Create Team."
- Follow the payment instructions.

Write down your team number, print your confirmation and share the number with players so they can register.

Registration is complete only when you receive a "Congratulations" screen with an invoice number. Without it, the team is not registered and the team number is not valid.

Registering a Player

- Login to your TennisLink account (create an account if you don't have one)
- Go to "Register for a Team."
- Enter player's USTA membership number.
- Enter your team's new **Spring 2027** number.
- Enter your preferred phone number. This overrides the contact number in your membership account.
- Click "Submit."
- Players without a computer rating must answer the self-rating questions. Choose the rating that reflects your ability, rather than automatically using TennisLink's minimum. If you rate another player, the rating cannot be changed after a match is played, even if they disagree with it. You may also be held responsible if a grievance is filed against that player for playing below their ability.
- Enter your credit card information on the secure site.
- Your registration is complete when the confirmation page appears.

Checking Your Team Roster

- Log in to TennisLink.
- Choose your team under "My Teams."
- Select "Player Roster." Use the on-screen "Back" button to navigate the team summary report.
